

Cybersecurity Workforce Development: From Education to Employment

New York Metro Joint Cybersecurity Coalition: 2023 Conference & Workshop

Cybersecurity Higher Education and Workforce Development Working Group

The Cybersecurity Higher Education and Workforce Development Working Group's vision is to build a collaborative framework of educators, industry, and government to provide strategic recommendations on enhancing national cybersecurity education and workforce development. The group will recommend policy, best practices, and tools for the implementation of innovative and comprehensive national career pathways at all levels of education as well as trade schools.
